APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of Claim No. 167 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is limited to the irrigation of 40 acres within the proposed place of use.

The combined area to be irrigated from the Carson River under Permits 67869, 67870, 67871, 67872, 67873, 68443, 68444, 68997, 68998, 68999, 69000, 69001, 69002, 69003 and 69004 is limited to 555.18 acres within the proposed place of use.

(CONTINUED ON PAGE 3)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed the decreed duty of acre-feet per acre of land irrigated from any and all sources for the irrigation of 40 acres.

Work must be prosecuted with reasonable diligence and be completed on or before:

N/A

Proof of completion of work shall be filed on or before:

N/A

Water must be placed to beneficial use on or before:

March 18, 2005

Proof of the application of water to beneficial use shall be filed on or before:

April 18, 2005

Map in support of proof of beneficial use shall be filed on or before:

April 18, 2005
